FISCAL REVIEW COMMITTEE**

FISCAL NOTE

HB 1914 - SB 2031

March 31, 2009

SUMMARY OF BILL: Authorizes consultation about a mandatory outpatient treatment plan with a service recipient's spouse or other adult family member with whom the service recipient would live, if all necessary consent is obtained.

ESTIMATED FISCAL IMPACT:

Increase State Expenditures – Not Significant

Assumptions:

- The releasing facility or the outpatient mental health professional would not incur a significant increase in expenditures to consult with a service recipient's spouse or family member.
- Any cost can be accommodated within existing resources without an increased appropriation or reduced reversion.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
